Crossing Borders Seamlessly.™

We open doors to new opportunities.

At Ackah Business Immigration Law, we guide you through the immigration journey to your desired destination. Our innovative legal practice combines professional knowledge, personal attention, and supportive advice. With knowledge and expertise, we navigate complex Canadian and US immigration rules and regulations to solve problems and remove obstacles, **before** you get to the border.

We don't just know the law, we also know our clients' needs, concerns, hopes and dreams. If you are stuck in an airport half a world away, or have an emergency, we are only a phone call away and we respond immediately – 24/7. We care about you, your family, and your organization, and **we take the journey with you** - from Visitor Permits through to your Citizenship ceremony. You are never alone in the immigration process.
